

Tips for a great school trip to the Great Hill Country Pumpkin Patch

Who to Contact

During business hours, please call 830-200-0302 #2. For after hours, please contact Bryan at 830-741-1588.

Weather

Should inclement weather occur, we need to have the best number to reach you so you do not make a trip if we have to close. Check the number you used when registering, and give us a call with another contact number, as needed. Please check the weather before you leave and call directly to determine if weather is a problem here in Medina. Sometimes it is raining where you are but not here and vice versa.

Arrival Time

Please let us know if you are running late - our activities are planned on a rotation schedule and we will make adjustments.

Goodies to take home - pumpkins and pomanders

Each child will receive a small pumpkin to take back to school with them. Let our team know your student count when you get to the pumpkin station and our team will deliver the pumpkins to your bus.
